### 1. StarChapter

Set up a test meeting to make sure all the kinks are worked out before the July chapter meeting. Jeff has a list of questions to ask StarChapter. The board will have a conference call in the next couple weeks to hear the answers to the questions.

### 2. Excellence in Transportation Award

Three projects were nominated for this year's Excellence in Transportation Award. The board read and ranked the projects and unanimously decided the DDI project submitted by MoDOT was to receive the award this year. Ray Webb recused himself as the submitter of one of the nominations.

### 3. 10th Anniversary & Future Meetings

There was discussion regarding the 10th anniversary of KCITE. The board would like to have some sort of celebration for the November chapter meeting. Ideas thrown out were having a cake, hosting the meeting at a larger venue, bringing in a national ITE member to speak, and giving out 10th anniversary party favors. No decisions had been made at this point.
