Statement

I am excited for the possibility of serving as your Member Director and have complete confidence that I can fulfill the duties of the position. I have been an active KCITE member for the past three years and have served on the training committee for the past two. I am passionate about keeping Kansas City at the forefront of new transportation practices and technologies; and as a member of the KCITE Board, I look forward to continue fostering an environment within KCITE where our members benefit through training and the opportunity to network and to learn from each other.
