Statement

This past year serving as your Member Director has been such a rewarding experience for me. I have enjoyed leading the training committee to facilitate several training and workshop opportunities that our membership and community were able to benefit from. I am excited to continue this experience if afforded the chance to continue my service to KCITE as the Secretary/Treasurer. I have complete confidence that I can fulfill the duties of the position and will work hard to maintain your trust as I manage the Chapter budget for 2016. I am passionate about keeping Kansas City at the forefront of new transportation practices and technologies; and look forward to continue fostering an environment within KCITE where our members benefit through training and the opportunity to network and to learn from each other.
