Jackie White, PE, PTOE, Assoc. DBIA

2019 Vice President Candidate

EDUCATION

B.S. Civil Engineering – University of Missouri, Kansas City 1998

PROFESSIONAL EXPERIENCE

1999 - 2013: MoDOT Kansas City District, Various Positions in Design, Planning and Construction
2013-2018: City of Grandview, City Engineer

I have served the public for 20 years, 17 years as a Professional Engineer, with a diverse background in all phases of transportation engineering and public infrastructure project development including budgeting, planning, design and construction. Project types include roadway, bridge, storm, sanitary sewer, and vertical construction projects using both design build and design bid build project delivery methods. Project Development facilitation has required extensive public speaking, team building, and decision making.

PROFESSIONAL MEMBERSHIP PARTICIPATION

KCITE-2 Year Member of the Training Committee, 2017 Member Director, 2018 Treasurer

STATEMENT

I have enjoyed holding various roles of responsibility in KCITE for the past four years. I have had the opportunity to learn and build relationships with other professionals in the transportation engineering field and I hope to continue that as the KCITE Vice President. As Vice President, I will work to continue ensuring professional development opportunities for Chapter members.
