STATEMENT

Over the past year, I have had the privilege of serving as Treasurer for KSITE, supporting the organization's financial responsibilities while continuing to work alongside the board and our members. This experience has given me a greater appreciation for the work that goes into keeping KSITE active, engaged, and focused on providing value to our transportation community.

As I transition to Vice President, I look forward to taking on a broader role in supporting KSITE's programs, member engagement, and continued growth. I am excited to continue working with the board and our members to build on KSITE's success and provide meaningful opportunities for professional development, collaboration, and involvement.
